The number of places available in Progression 2Work is 40 in the Hub and/or on outreach. These places currently exist across one permanent Hub and several partner providers within Work Experience, and can meet the needs of boys and girls aged 11 to 16 who are either permanently excluded or at risk thereof, suffering extended periods of sickness or, for medical reasons, are unable to attend school, and may require Outreach 1:1 or/and Work Experience. Hub placements can meet the needs of boys and girls aged 11 to 16. Other ages will be considered at the discretion of the Directors and Hub SLT.

Progression 2Work aims to provide flexibility in places and therefore the numbers admitted in specific locations and key stages is subject to change. Pupils may be accepted into relevant year groups depending on demand. However, it is intended that the total number of places available at any one-time is 40 within the Hub.

There must be exceptional circumstances for a greater number than 40 pupils to be admitted.

Places will be reviewed by Progression 2Work Directors at agreed intervals, in line with good practice and statutory guidance.

### **Oversubscription Criteria**

Places which are requested for pupils will be prioritised using the following criteria:

- Children who have been permanently excluded and
- those who have a medical reason which means that they cannot attend a mainstream school
- Children who are at risk of exclusion

### **Appeals**

The statutory admission appeals process does not apply to Progression 2Work

### **Correspondence**

Any correspondence should always be posted in sealed envelopes marked 'Confidential', with the recipient's name written clearly on it. If there is any data protection breach, disciplinary action will be applied.
